Dear Ms. O'Brien:

This is in response to your request for release of information from the files of the U.S. Army Criminal Investigation Command (USACIDC) received April 1, 2013.

The enclosed search slips, marked 1 thru 7, in connection with FA13-1963, responsive to your request, are part of a system of records exempt from the disclosure provisions of the Freedom of Information Act (FOIA). The names of law enforcement personnel, as well as names, social security numbers and other personal items of information pertaining to third parties have been withheld. The removal of this information constitutes a partial denial pursuant to Title 5, USC, Section 552, Exemptions (b)(6), and (b)(7)(C) of the FOIA, because release could violate the personal privacy of other individuals mentioned in the report.

This partial denial, which is made on behalf of Major General David E. Quantock, Commander, USACIDC, the Initial Denial Authority for USACIDC records under the FOIA, may be appealed to the Secretary of the Army.

If you decide to appeal at this time, your appeal must be submitted within 60 days of the date of this letter. In your appeal, you must state the basis for your disagreement with the partial denial and you should state the justification for its release. Your appeal is made through this Center and should be addressed to the Director, U.S. Army Crime Records Center, 27130 Telegraph Road, Quantico, Virginia 22134, for forwarding, as appropriate, to the Office of the Secretary of the Army, the appellate authority. Please note that your appeal should address information denied in this response and cannot be used to make a new request for additional or new information.

Questions regarding this action should be provided in writing to the address shown on the letterhead or you may contact the Information Release Specialist responsible for this release, Ms. Anna Rivera, at (571) 305-4248. Please reference the above control number on any correspondence.

Sincerely,

A handwritten signature in black ink, appearing to read 'Susan Cugler', with a large, stylized loop at the end.
